Our recommendations in Paris

Little of our own experience

Useful tips

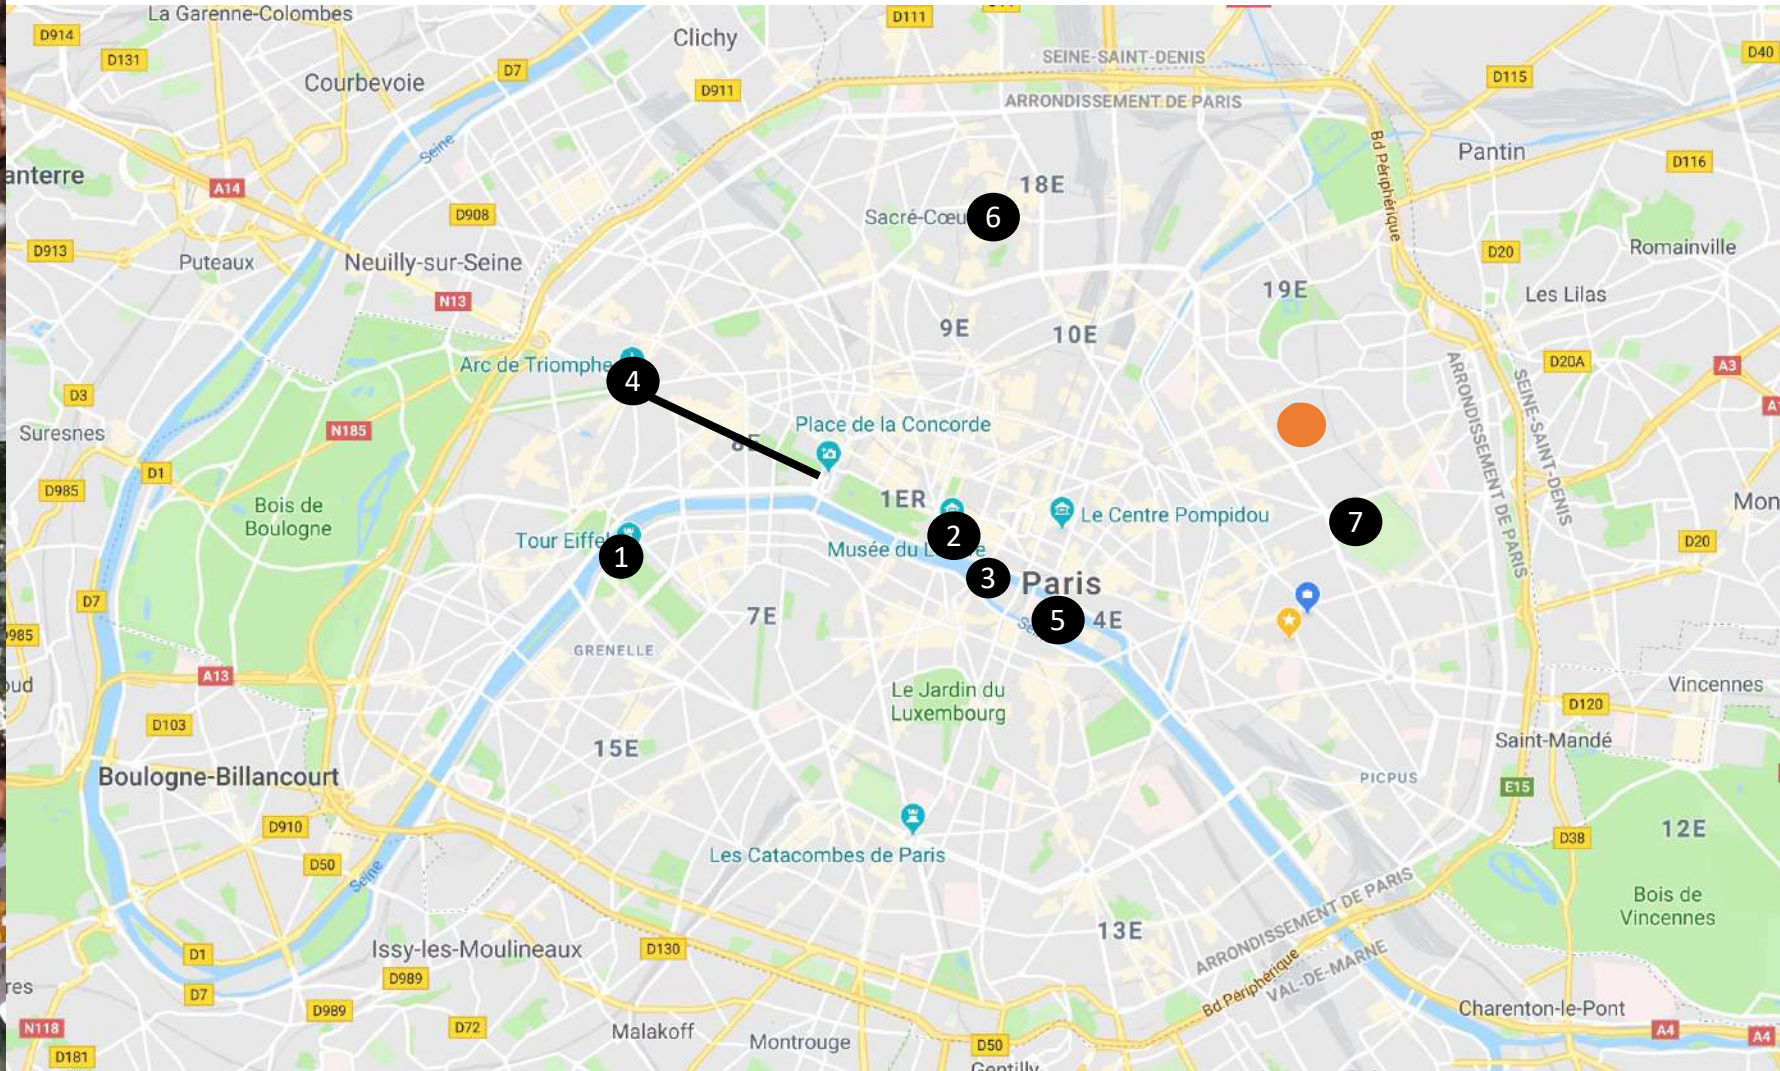

We love to walk, usually we are buying subway tickets by 10 (17€ and sharable) just to come back

You can rent bikes with apps (main supplier is Velib) and also skates (Lime)

Be careful with pickpockets, hold your handbag always around your head and one arm, be careful with your phone. They are usually near famous places waiting for tourists 😞

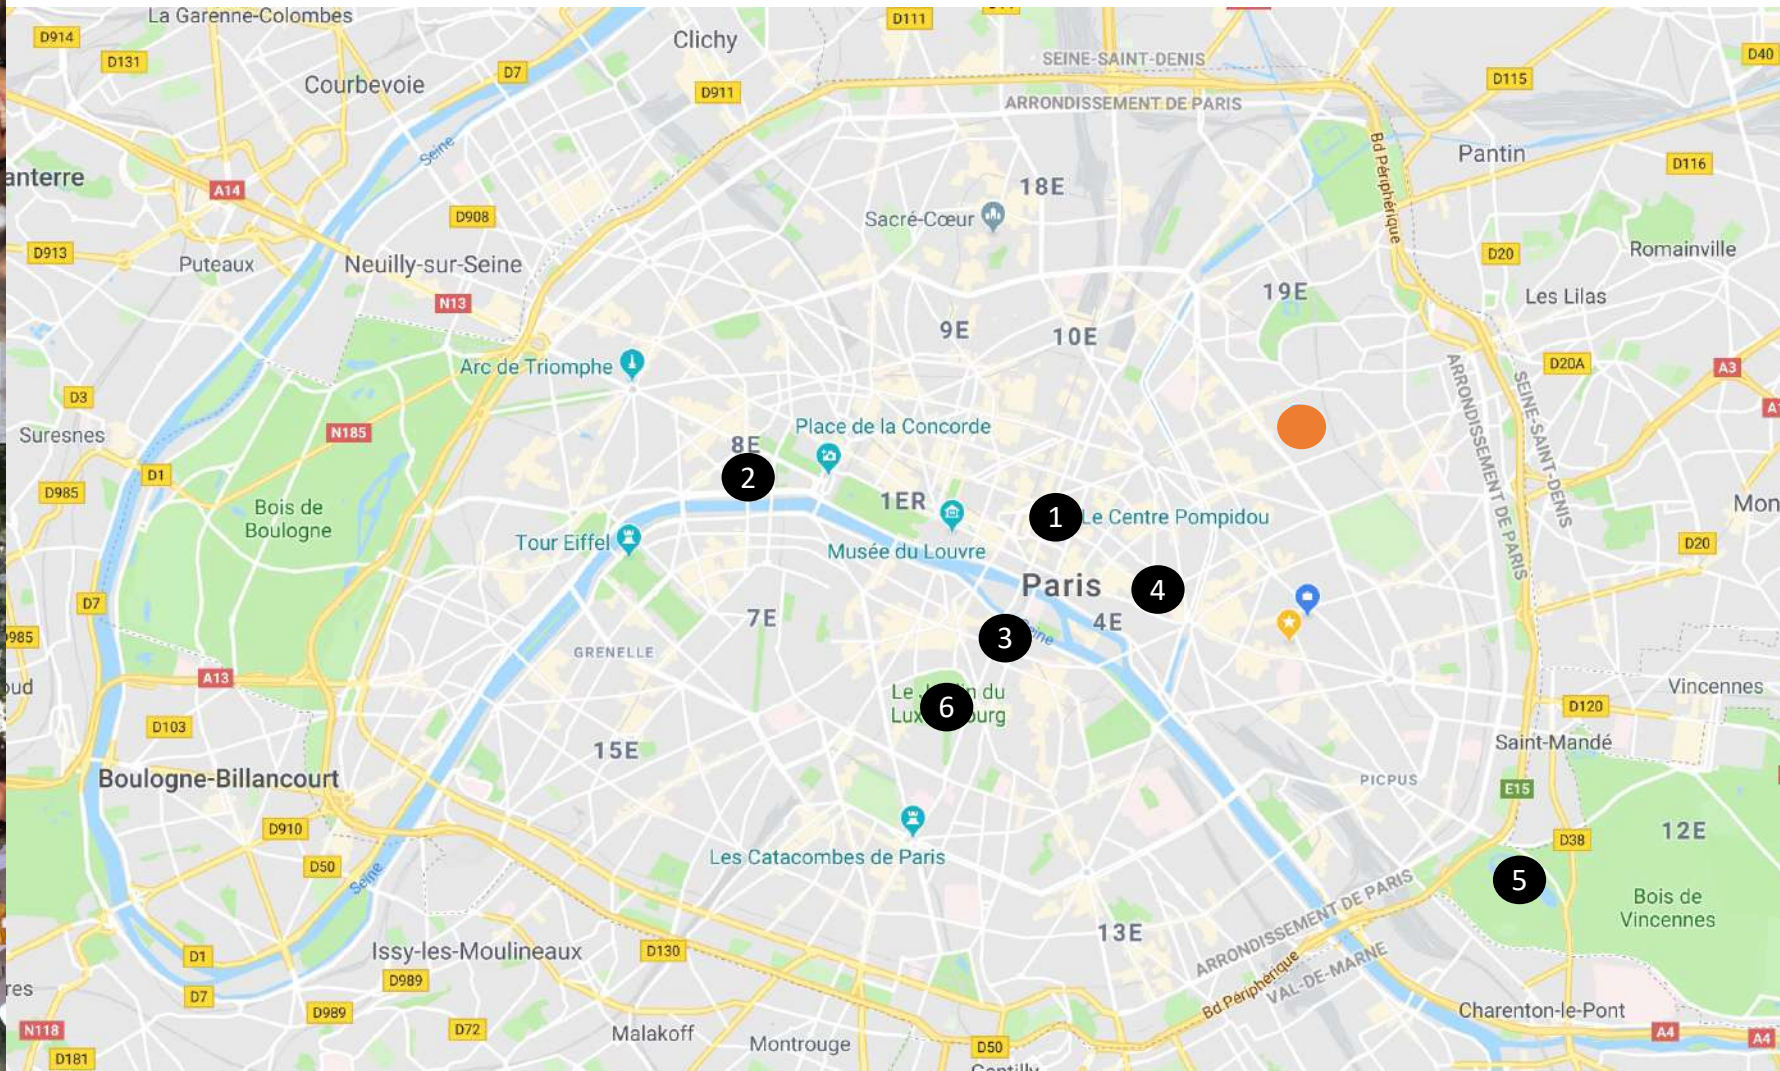

Our must-do

- Our place**
- 1 Eiffel Tower**
(book tickets online asap)
- 2 Louvre Museum**
Take also time to walk in the Jardin des Tuileries
- 3 Cruise on the river**
Vedettes du pont neuf
- 4 Champs Elysées**
(and Arc de Triomphe)
You can walk from the Louvre through the jardin des tuileries
- 5 Notre Dame de Paris**
No comment ☺
- 6 La Sacrée Coeur**
Really nice quartier to chill out and have a dinner
- 7 Père Lachaise Cimetery**
Famous people there !

Other ideas
